# Carib and Tribe... A Perfect Partnership

Carib Beer is the Official Beer of Tribe Mas! The two powerhouses recently came together at the Ansa McAl Booth in the Oval to sign the historic agreement that will see Carib Beer become the Official Beer of Tribe Mas, Tribe events and all their activities.

It was evening of celebration that also included gifts for the media and entertainment by Ricardo Druve and his dancers.

According to Artrron Forte, Marketing Manager Carib, this achievement was a natural one. "It is only fitting that Carib and Tribe should come together. As two strong local entities, it is a dream partnership that will no doubt redound to the best for both brands." Says Forte: "We at Carib continue to support the culture of Trinidad and Tobago and look forward to going from strength to strength with Tribe Mas."
